

A PLACE FOR TOMORROW. A PLACE 2-WORK.

# 2-WORK @ BANK HOUSE

2-work @ Bank House is a perfectly situated office space in central Leeds, offering an excellent and cost-effective option for businesses and individuals that prioritise flexibility and choice at work.

The Grade II listed building is characterised by an iconic minimalist construction language that is told through polished Cornish granite and bronze cladding delivering the city's finest reflection of '70s British brutalism. Bank House is located just a stone's throw from Leeds Station making it ideally placed to accommodate all kinds of modern demands for mobility, flexy-work, as well as a healthy work-life balance that supports mental health and wellbeing.

Become part of the 2-work community. Join and experience the support of an online and physical network of like-minded businesses and individuals, and enter a workspace where a culture of collaboration and creativity thrives.

#### Putting people first

Our creative design background and modern approach to workspaces support a healthy work - and personal life balance, so your mental health and wellbeing can flourish.

#### Working smart

We offer a hybrid work-life that gives you complete freedom to work when, how and where you want in a space that makes you feel good. Whether that's in our co-working spaces or from home, you will always feel part of the community.

#### Community at the heart

Facilitating community through our physical space and online app, becoming part of the 2-work community gives you opportunities to develop your network and collaborate on a professional and personal level.

#### Always looking ahead

Sustainability, economic trends and market shifts. We're always looking ahead to provide innovative and state-of-the-art spaces and services to our community and members.

#### Find your perfect fit...

We are hassle-free. Simply choose from our selection of cost-effective workspaces and flexible lease terms to find a plan that's right for your business.

#### ...make it yours

We have a team of in-house architects and designers that can adapt the workspace to reflect your company's brand and culture. We can work together to make your space completely bespoke to you.
