

Acquiring Land

Building for exceptional care

Land Requirement

Our team are committed to identifying and securing land which has the potential for a successful care home.

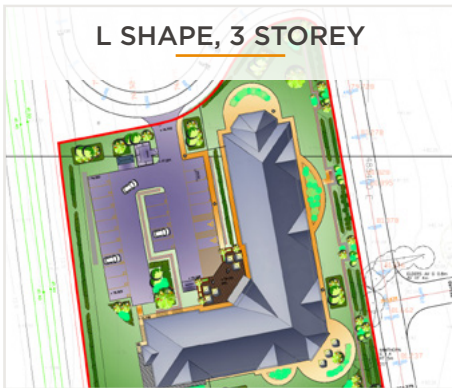

With a 96% planning approval success rate!

Our basic requirements are:

- ✓ Minimum 1 acre of land which is a regular shape
- ✓ In or on the periphery of towns and settlements with a population of at least 10,000
- ✓ Prominent locations with good transport links
- ✓ Easy access to local amenities
- ✓ We also consider parts of large mixed use/ regeneration sites
- ✓ No conversions or extensions

*** Finders fees/commission available**
